Clarification with respect to query raised in IIQA by NAAC

- (A) Query part 1- Gujarat Nursing Council recognition for B.Sc. Nursing and M.Sc. Nursing does not mention the name "Charotar University of Science and Technology".

In this connection, we have sent a letter to Gujarat Nursing Council, stating the discrepancy and seeking the clarification. The copy of the letter is also attached herewith for the reference. We are waiting for their reply.

We hereby, declare that the Manikaka Topawala Institute of Nursing (MTIN) is a constituent institute of Charotar University of Science and Technology (CHARUSAT). Please refer the attached university affiliation letter. In the letter from Indian Nursing Council (INC), both Institute and university names are mentioned. It seems that Gujarat Nursing Council is not having practice to mention the university name.

- (B) Query part 2- The name, title and style of recognition from Statutory Regulatory Councils should be same in all the documents.

It is observed that Indian Nursing Council (INC) and Gujarat Nursing Council (GNC) are using different abbreviations in the permission letter for the same program. This is especially observed in two M.Sc programs. Following table lists all the program as per permission letters by INC and GNC. It also presents the corresponding degrees offered by the CHARUSAT.

Programme Name	As per INC permission letter	As per GNC permission letter	Degree allotment by CHARUSAT
M.Sc. Nursing	PAED	PDN	Child Health Nursing
	MED-SURG	MSN	Medical Surgical Nursing
	OBG	OBG	Obstetric and Gynecology Nursing
	PSY	PSY	Mental Health Nursing
	CHN	CHN	Community Health Nursing
B.Sc Nursing	B.Sc(N)	B.Sc(N)	Bachelor of Science in Nursing

It is clarified that the Manikaka Topawala Institute of Nursing which is constituent of institute of CHARUSAT is offering the same Programs as per INC and GNC. However, In two M.Sc programs the abbreviations used by councils are different but programs are the same.

Registrar,
CHARUSAT

Attachments: 1. Letter sent to GNC

2. MTIN affiliation document

To,
The Registrar,
Gujarat Nursing Council,
Ahmedabad.

Subject: Request to acknowledge the query received from NAAC.

Dear Madam,

Greetings from MTIN-CHARUSAT!

You are aware that Manikaka Topawala Institute of Nursing is a constituent of Charotar University of Science and Technology (CHARUSAT). CHARUSAT awarded grade A in its very first cycle and had applied for the second cycle of NAAC. In this connection, we have received two queries from NAAC as follows:

1. In Gujarat Nursing Council permission letter University name is not mentioned.
2. The name, title and style of recognition from Statutory Regulatory Councils should be same in all the documents. NAAC observed that Indian Nursing Council and Gujarat Nursing Council are using different name for two specializations in M.Sc. Nursing.

To provide an explanation to these queries, we are in need of your corporation by requesting you to provide following clarification:

1. Providing GNC annual permission letter with mentioning "Manikaka Topawala Institute of Nursing - a constituent of Charotar University of Science and Technology (CHARUSAT)" or else please mark institute permission copy to "Registrar, Charotar University of Science and Technology".
2. The name of M.Sc. Nursing programs was found different by NAAC among permission letters received by INC and GNC in two specializations, which are as follows:

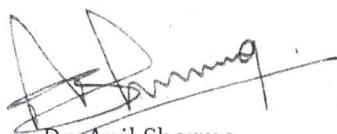

Programme Name	INC permission letter	GNC permission letter	Degree allotment by CHARUSAT
M.Sc. Nursing	PAED	PDN	Child Health Nursing
	MED-SURG	MSN	Medical Surgical Nursing

We request you to please use the similar abbreviation used by INC to resolve the query raised by NAAC.

Your prompt response will keep us punctual in submitting our response as always.

Thanking you in anticipation.

Warm Regards

Dr. Anil Sharma
Principal

Enclosed:

1. NAAC query copy
2. INC permission letter 2020-21
3. GNC permission letter 2020-21
